Kim J. Cournoyer, Ed.S., LPC-MH

Kim J. Cournoyer has been working in the behavioral health field since 1998. She also worked in the field of addictions as a Certified Chemical Dependency Counselor Level III from 2001-2010.

Other areas of specialty include sexual education, developmental and adjustment issues for adolescents, families/couples, and cultural transitions. Ms. Cournoyer has experience resolving problems related to ADHD, anxiety, anger management and with adult survivors of abuse. Ms. Cournoyer is actively involved in community issues of diversity and promoting multi-cultural awareness.

Norma Haan, MSSA, CSW/PIP

Norma Haan is a Certified Social Worker in Private Independent Practice and has been working in the behavioral health field for over 30 years. She focuses on brief therapy, and works with individuals, couples, families, veterans, young adults, and elderly. Norma specializes in treatment of

depression and anxiety, stress management, relationship issues, marital problems, parent-child problems, and issues involved in adult life transitions and adjustments.

Irina N. Goubanova, MS, LPC, QMHP,

Irina N. Goubanova, MS has worked as a Mental Health Professional since 2001 with adolescents, teenagers, families, and couples. Speciality areas include depression, anxiety, adjustment disorders, somatic complaints, and personality disorders. Irina has studied

Mindfulness and Ericksonian hypnosis and believes in the Mind/Body connection, applying her skills in treating patients going through life challenging experiences and transitions. Irina is very interested in applying Short-Term psychodynamic approaches to the treatment of PTSD, and firmly believes that the models she has used have been helpful to teenagers and young adults, who often experience unrecognized trauma.
